

The Bowman Centre For Sustainable Energy

Third Richard Marceau Energy Symposium

Extending the success of prior events, the Third Richard Marceau Energy Symposium is a collaboration by the Bowman Centre for Sustainable Energy, the Canadian Academy of Engineering, and the Canadian Society of Senior Engineers. Our host for this event is the IEEE Toronto Section.

<https://www.ieeetoronto.ca/>

DATE: Tuesday November 23, 2021

START TIME: 4:00 pm Eastern Standard Time

DURATION: 90 minutes

REGISTRATION: <https://events.vtools.ieee.org/m/289246>

COST: Free

Agenda:

- Welcome by IEEE Toronto Section – Dr. Ali Nabavi and Alireza Siadatan
 - Canadian Academy of Engineering: Dr. Oskar Sigvaldason
 - Dr. Sigvaldason is the Project Manager for Trottier Energy Futures Project

-
- CANADA: Evaluation of Three Energy System Chains
 - Bowman Centre for Sustainable Energy: Marshall Kern
 - Marshall Kern is the President of the Bowman Centre for Sustainable Energy

- Super-Grid to Strengthen North American Electrical Energy Security
 - Canadian Society of Senior Engineers: Guy Van Uytven
 - Guy Van Uytven is the President of the CSSE
